

Angels & Guides

Explore the world of the Angelic Realms

- What is the difference between Guides & Angels
- Who are the Archangels & what are their Jobs
- Learn to begin working with them for self healing

Siobhan Wilcox has been communicating with her guides and angels for 18 years. She offers angel readings and soul memory discovery sessions in person or by phone.

Last year her connection to the angelic realms deepened and she became an Angel Oracle. This means she acts as a direct channel for the angels to speak to you. Siobhan is passionate about teaching others how to deepen their connection to source and raise their consciousness levels so their well-being increases.

She has studied to be an Angel Therapist™, Yoga Teacher, Soul Memory Discovery Practitioner, Stress Management Consultant, Color Therapist, Massage Therapist, Reiki Master and a Spiritual Healer for Indigo Children and Adults.
